

STS-CARGL-001 / STS-CARGL-002 / STS-CARGL-003

Gas Cylinder Locker 150 ml, 300 ml, 500 ml

Application:

This product is used to fix the gas cylinder in a carrier type STS-CARG-001.

There are three different lockers for three gas cylinder sizes.

We offer lockers for gas cylinders from Texas Sampling with short valves at both ends.

Versions:

- STS-CARGL-001 – for 150 ml
- STS-CARGL-002 – for 300 ml
- STS-CARGL-003 – for 500 ml

We reserve the right of changes!
